

4-square rubric:

What are the 8 things that should be in the 4-square? (Label them below)

1	2	5	6
3	4	7	8

Is each 4-square completely filled out?

There should be 4-5 things in each square about the topic

	Content	Conventions	Organization	On Time
5	the square contains all appropriate data	All data in the target language	All content is labeled and organized-date/objective	Turned in on time
4	the square contains almost all data	Most data is in the target language or translated when needed	Most content is labeled and organized(missing date/objective)	
3	The square contains a majority of the appropriate data	Less than half was in the target language	half of content was labeled and organized(occasional dates/objectives)	Not turned in on time: 50% loss of credit
2	The square contains minimal data	The target language was only occasionally used	Little or no content was labeled; almost no dates or objectives evident	

- 1 The square is labeled little work evident labels are incorrect
- 0 blank squares no work evident No dates/no objectives Not turned in within 2 weeks
