

El subjuntivo

Nombre _____

The subjunctive tense is used in Spanish to express:

W-

E-

D-

D-

I-

N-

G-

R-

M/C-

O-

The sentences are used in 2 parts:

The _____ clause & the _____ clause.

The **subjects** of the two clauses should be _____.

To form the subjunctive of regular verbs, we use the _____ form or the _____ tense.

Then we take off the _____ and add:

_____ for -ar verbs

_____ for -er/-ir verbs

If a verb is a _____ changing verb in the present tense, it **may** do the same thing in the subjunctive tense.

Some common types of stem changers in the subjunctive are:

e-

e-

u-

g-

car-

gar-

zar-
